Your Message: Please fill in each panel (up to 3 maximum) as you wish it to appear. Remember to keep it short & simple. The more words you put into each panel, the smaller the text will be and the harder to read. We reserve the right to edit the message for space limitations and quality of appearance. Please also be aware that the marquee is not a high-definition screen. Images can tend to appear grainy and hard to decipher. Choose an image that will be easy for the general public to connect to your event.
